

**Professional Education Consultant
Contract – Full-time Position
(Until December 31, 2011)**

Affiliated Services for Children and Youth (ASCY) is seeking an enthusiastic, motivated, resourceful Early Childhood Educator to join our dynamic Professional Education Team.

The successful candidate will respond to the current needs and issues in early learning and child care. The successful candidate will develop and present training workshops, facilitate outreach and consultation services and offer mentoring/coaching to early learning staff who work and live in the city of Hamilton. The successful candidate will participate in community consultations, community initiatives, Area Network support and other duties as assigned.

This is a full-time, contract position until December 31, 2011 (37.5 hours per week) and will require some evening and occasional Saturday work.

Applicants must have/or be:

Registered as an Early Childhood Educator with the College of ECE
Resource Teacher Certificate an asset
A minimum of 5 years working in early learning settings
Experience in adult education and mentoring
Experience and a high level of skill coaching and mentoring leaders, Early Childhood Educators and ECE students
Supervisory experience in an early learning setting
Experience working in a variety of early learning settings and age groups an asset
Experience with infants and toddlers in licensed early learning and care an asset
Interest in and experience with: Science/Nature, Music, Math/Number and Diversity an asset
Knowledge of and involvement in the early learning community in Hamilton
Knowledge and understanding of the diverse community in Hamilton
Knowledge of current issues in early learning and child care (i.e.: locally, provincially and nationally)
Excellent oral and written communication skills
Strong technology skills
Competent in the use of ECERS R and other environmental rating scales
Knowledge of and participation in "Raising the Bar" on Quality and other community initiatives
Active participant in the ECE and early years' community
Current valid driver's license and access to a vehicle
French language an asset
