

"CHECK IT OUT"

COME AND CHECK OUT YOUR CHILD'S DEVELOPMENT...

Do you have questions about your child's development and health?

Community professionals are available at a variety of locations to meet with families and their children from newborn to 6 years of age to offer consultation, teaching and referral with respect to their child's development.

Early child development identification sessions are **free** and no appointment is needed. Registration takes place at the start of the session.

Children must be accompanied by their Parent or Legal Guardian or have completed a consent form for a designate person to take their child. These forms are available at OEYC locations.

***Come and check out
your child's development***
